I am a dynamic, hardworking and diligent programmer with exceptional interpersonal skills with the ability to communicate thoroughly. I am an enthusiastic and self-driven person with the ability to work at a high standard. I enjoy working with groups of people with a common goal, and striving to bring out the best qualities of each individual in the group to accomplish the best results.

## EXPERIENCE

### Retina Associates of Orange County, Santa Ana, CA

- Team Lead/Ophthalmic Technician/Scribe

January 2020 - November 2021

- Managed a small team, oversaw day to day performance and delegated tasks to team members
- Maintained clean and organized patient medical history and electronic medical records
- Developed strong multi-tasking skills and excellent communication skills between patients, doctors and team members
